

Hello PNSC'ers,

Welcome to another season of cross country skiing! Keep your fingers crossed for more snow!

**UPCOMING EVENTS:**

Grooming Clinic: Sunday, Nov 29, 10am-noon at the cabin. Contact Mike for more information (michael.dentremont@gmail.com).

Family Christmas Ski Planning Meeting: Monday, Nov 30, 7pm at the cabin. If you're interested in helping us plan this family event please come to the meeting or contact Ruth for more information (herseys@telus.net).

Wednesday Night Group Skis start on Wednesday, Dec 2 at 7pm. All are welcome to join us for a night ski in the trails. Bring a headlamp along. Contact Denise for more information (dcmckay@dal.ca).

Adult Ski Lessons start on Saturday, Dec 5 at 2pm. Come a 1/2 hr early if you want to borrow equipment. Contact Kathey for more information (kathybryan@shaw.ca).

**TRAIL CONDITIONS:**

The groomers have been busy on the trails. We have a new trail near the Eagle Ridge trail in Timberlea that has been groomed. The ski conditions in the valley are great; however, use your rock skis (old skis) until we get some more snow, as there are still a few areas where rocks are exposed.

**NOTICE:**

If you are not currently registered as a PNSC member, you will not be receiving future newsletters via email. Please register with the club to continue receiving this newsletter by email. (All of the newsletters are posted on our website.)

More information on upcoming events, trail information, and other ski related items is available on our website. If you have any questions, please contact a club member.

We look forward to seeing you on the trails!
